

Garibaldi Art Club Social Media Marketing & Promotions Committee Information

Garibaldi Art Club invites and encourages you to take full advantage of all that social media has to offer. If you have an event outside of G.A.C that you would like posted on Twitter, Instagram and/or Facebook, please send the information along with a jpeg image of the poster or painting, to either Karen McCombie at mccombie@shaw.ca or C J: Zigantedesigns@shaw.ca.

You can also reach them both via GAC's Facebook page by sending a message on the page itself, or reaching out to them within the G.A.C group.

If you have an art page on Facebook, you can also post from your page and tag G.A.C's page within your post, this will simultaneously put your post on both yours and the group's page.

Admins on the page can then share it to Instagram and or Twitter. If you have not yet given the G.A.C. page a 'like' yet, please do so.

As our art show dates approach, we encourage you to share some of the paintings that you will be showing to help advertise the shows. If you are not on any social media sites, we still encourage you to send a jpeg of those paintings or events via email, to Karen or C J and they will do their best to get them posted for you.

Promoting those events and your artwork has never been easier. With access to
